

DESCRIPTION

THE COMPUTER IS BECOMING MORE PREVALENT IN OUR EVERYDAY LIVES BECAUSE IT ALLOWS PEOPLE TO WORK FASTER AND MORE EASILY. AS TIME GOES BY, PEOPLE WANT TO BE COMFORTABLE USING THEIR COMPUTER. THIS IS SEEN IN LAPTOPS, WHICH MAKES TECHNOLOGY EVEN MORE ACCESSIBLE AND EASY TO USE. THIS IS THE MOBILE GENERATION. THERE ARE A LOT OF ADVANTAGES IN OUR SOCIETY. HOWEVER, I CAN PREDICT THAT SOMEDAY WE WILL WORK FOR COMPUTERS. FOR THE FIRST TIME SINCE WE INVENTED THE COMPUTER, IT IS USED TO HELP PEOPLE, LIKE MACHINES SUCH AS THE MICROWAVE OR WASHING MACHINE.

AS TECHNOLOGY DEVELOPS, PEOPLE ARE RELYING ON MACHINES. MOREOVER, IN THE FUTURE, MAYBE WE WILL BE AROUND MACHINES ALL DAY LONG. WE DO NOT NEED TO MEET PEOPLE FACE-TO-FACE, WE WILL MEET PEOPLE THROUGH THE COMPUTER MONITOR, IT IS A KIND OF SAD STORY, A PERSON BELONGS TO SOCIETY, AND HE OR SHE SHOULD HAVE A SOCIAL LIFE, PERHAPS PEOPLE WILL THINK OF MACHINES AS THEIR FRIENDS.

THERE ARE TONS OF MOVIES ABOUT THE FUTURE. AMONG THEM, I THINK THE MOVIE THAT MOST PEOPLE HAVE WATCHED IS THE MATRIX. IN THAT MOVIE, HUMANS ARE ONE OF THE ENERGY SOURCES FOR MACHINES. AFTER WATCHING THAT MOVIE I WAS UPSET, AND I WAS ALSO AFRAID AND SCARED ABOUT OUR FUTURE. HOWEVER, I AM DEFINITELY SURE THAT I AM NOT THE ONLY PERSON WHO HAS THIS SORT OF FEELING. THERE IS REASON WHY THIS MOVIE IS FAMOUS. ALSO PEOPLE STILL WATCH AND TALK ABOUT THE MATRIX. OF COURSE THERE ARE FANTASTIC GRAPHICS AND FANTASTIC CHARACTERS. BUT IT IS JUST INTERESTING TO THE EYES. NOW AFTER THAT MOVIE APPEARED IN THE THEATERS, I THINK THAT PEOPLE SEE THAT MOVIE IN THE SAME WAY AS HOW I SEE IT. PEOPLE WANT TO LIVE AND THEY WANT TO FEEL LIKE HUMAN BEINGS. IF HUMANS CANNOT FEEL ANYTHING, THEY ARE THE SAME AS MACHINES. LIKE IN THE MATRIX. A HUGE MACHINE WILL CONTROL HOW WE LIVE OUR LIVES, HOW WE FEEL AND HOW WE REACT. IF THIS BECOMES REALITY, THERE IS NO PROMISING FUTURE.

THEREFORE, I WANT TO MAKE PEOPLE FEEL THEIR EMOTIONS AND FEEL ALIVE. EVEN THOUGH ADVANCED TECHNOLOGY EXISTS, IT CANNOT BE AS SPECIAL AS THE HUMAN BODY.

EXECUTIVE SUMMARY

WYH SIX SENSE??

5 SENSE + SIX SENSE PHONE
= SENSE MAN

S
I
X

S
E
N
S
E

WE HAVE SOME TYPICAL SENSES TO FEEL AS A HUMAN
FOR EXAMPLE TOUCH, SEE, HEAR, SMEL-TASTE, SPEAK.

EACH SENSES HAS DIFFERNT FUNCTIONS.

1. TOUCH, WE CAN CHANGE MATERIAL OF COVER OF CELLPHONE
ALSO YOU USE YOUR HANDS WHEN YOU CHANGE THE SHAPE
OR SCREEN. IT HAS A HUMAN SENSOR.
SO IT WORKS ONLY WHEN YOU TOUCH.
AND YOU CAN TOUCH WITH PEOPLE.

2. SEE, YOU SEE THE LIGHT ON BOTH SIDES
WHEN PHONE IS RINGING
AND YOU HAVE SCREEN WHICH YOU
CAN CHANGE THE WIDTH AND HEIGHT.
ALSO THERE IS PROJECTOR IN SCREEN CHIP
SO YOU CAN HAVE A LASER SCREEN
AROUND YOU LIKE I-MAX MOVIE THEATER.

3. HEAR, THERE IS A SAMLL SIZE EAR PHONE
WHICH IS WIRELESS. AND YOU CAN ATTATCH THAT
ANYWHERE ON YOUR BODY.
AND THERE IS A SIMULTANEOUS TRANSLATION SYSTEM
THAT YOU CAN CHOOSE THE LANGUAGE.

4. SMELL, YOU CAN HAVE YOUR FAVORIT SMELL
WHEN YOU OPEN THE SCRREN.
MOREOVER, YOU CAN SMELL THE REAL OBJECT FROM THE SCREEN
FOR EXAMPLE FOOD OR FLOWERS.
(SOMETIEMS WHEN YOU CANNOT STAND IN SMALL AREA
BECAUSE OF BAD SMELL, YOU OPEN THIS PHONE AND GET FRESH AIR.

ALSO OUR SENSATIONAL SENSES ON OUR BODY HAVE CONNECTIONS
LIKE WHEN WE SMELL SOMETHING SWEET WE CAN TELL THAT IT HAS
SEET TASTE.

5. SPEAK, IT IS THE MOST IMPORTANT FUNCTION OF CELLPHONE.
HOWEVER, FOR PEOPLE WHO CANNOT SPEAK AT ALL, IT IS DIFFERENT.
SO I MAKE AN AUTOMATIC READING DEVICE.
ALSO THERE IS TRANSLATION SYSTEM.
THEREFORE, YOU CAN STUDY AND YOU CAN HAVE TOUCH
WITH PEOPLE IN THE WORLD.

THIS CELLULAR PHONE WILL HELP
PEOPLE TO HAVE SENSTIONAL FEELINGS.
THEREFOER, IF YOU USE THIS
CELLULAR PHONE YOU CAN BE
A PERSON WHO HAS SENSE.

2

CONCEPT

Person who has sense considers fashion like jewelry

Person who has sense gives fresh air like a fan with perfume

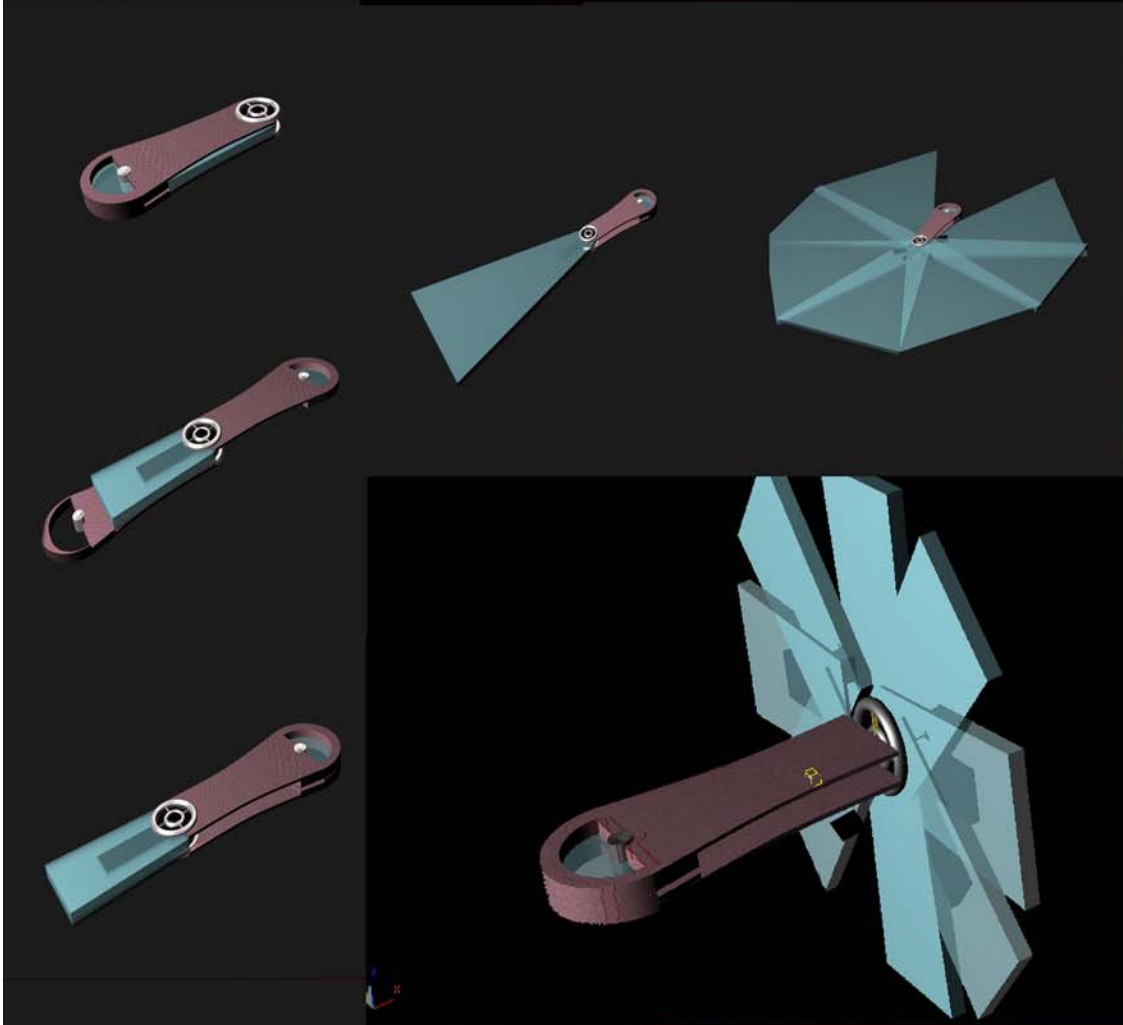

Person who has sense feels feelings like touch, see, hear, speak, smell

Now if you have six sense phone
You are sense man

FUTURE (IF I WIN...)

If i win...

I cannot even imagine that I win.
However, more exciting than winning
this competition is that people will use
this six sense phone that I design.

Today, most people use cellphone.

It makes people connect because
people always bring their cellphone.

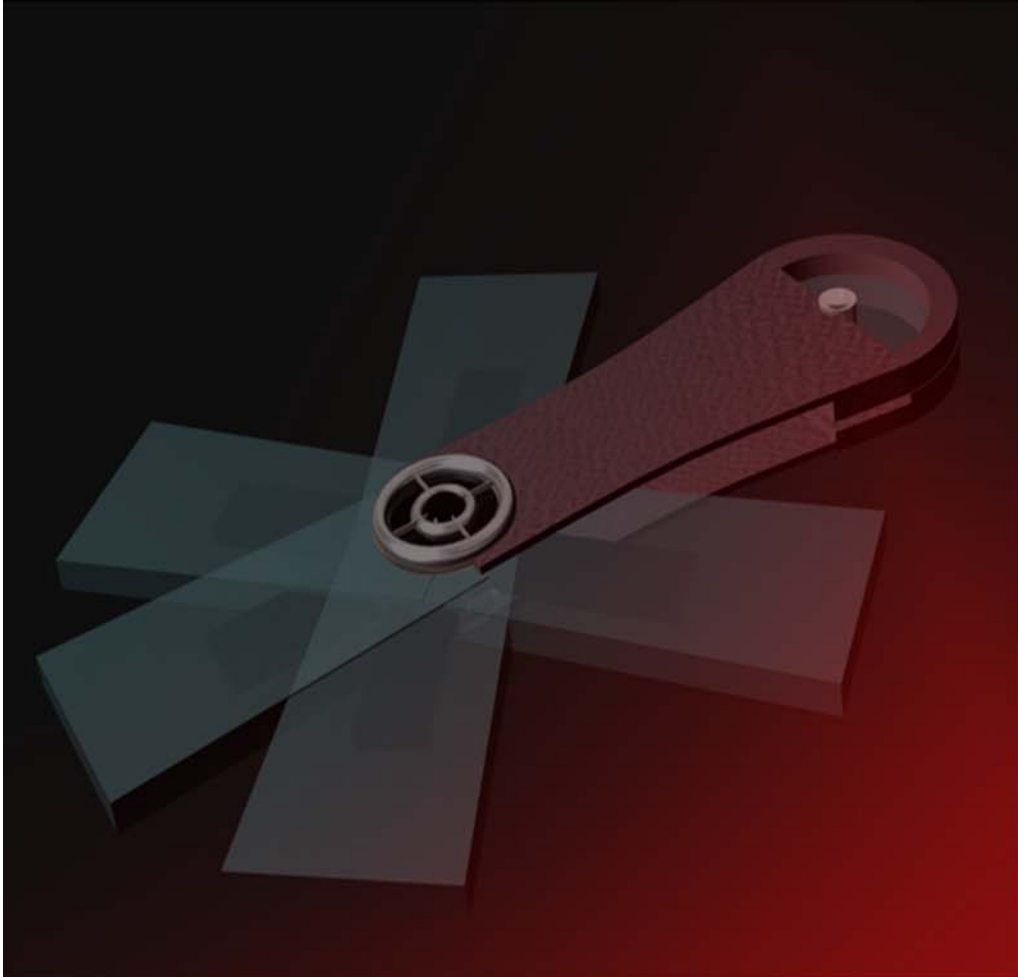

Human cannot live alone.

Moreover We live in global era. In the future,
I think we will live in universal stage,

Therefore, our connection will be wide.

Mobile phone to give connections will be necessary.

I want to give like that phone to people.

Thank You...
